Shrine dedicated to Sant'Antonio di Padova nel Plan

Support the restoration of the glesiut!

The Church of San Nicolo in Poffabro has reached out to parishioners and friends through mailings and L'Eco della Val Cólvera newspaper because they discovered that the glesiut nel Plan, a landmark in Poffabro for over a century, is in dire need of €5,000 (\$5,500) worth of repairs that the church cannot afford through its weekly collections of only €25 or €30.

Donations can be sent to:

Parrocchia di San Nicolò Vescovo

Please consider donating, even if it's nails and screws!
